Please provide a brief description of your event. Please include any information that would be helpful for someone looking for more information.

Volleyball Ventures has been run at the Manhattan Beach pier for 30 years, however many participants asked us to also run some events in Hermosa for various positive reasons to the City. Our events are somewhat small in nature (~100-150 people), and offer an opportunity for all levels to play in a semi-competitive coed 4's format. We find that many people who play in the Hermosa classes and leagues play in our events. To view more information, articles, video, etc. please visit vbventures.com.
