

DEVELOPMENT OF A MASTER PLAN FOR THE CLARK FIELD COMPLEX *QUESTIONNAIRE*

The Hermosa Beach Parks and Recreation Commission is initiating the process of developing a master plan for the Clark Field Complex. The purpose of the master plan is to provide guidance on the allocation of resources for maintenance and improvements to the facility over the next ten years.

The Clark Field complex currently accommodates the following regularly scheduled activities:

- Hermosa Beach Little League including softball and T-ball
- Adult softball league sponsored by the City of Hermosa Beach
- AYSO Soccer
- Basketball courts – free play and scheduled practice for HBYB league
- Tennis courts – free play
- Farmer's Market – every Friday until 4:00 pm

We would appreciate your comments on this usage. Let us know whether you think the current uses are appropriate or not. Are there other activities or uses of Clark Field that you would like to see? How could the Clark Field experience be improved?

Please let us know any suggestions you have for improving the physical facilities at Clark Field. Are there facilities that should be improved, repaired or eliminated?

Please give us your thoughts on the planters and landscaping along the northern and western sides of the Clark Complex.

Any other comments on current issues or suggestions for future improvements would be appreciated.

THANK YOU FOR TAKING THE TIME TO COMPLETE THIS QUESTIONNAIRE. YOUR THOUGHTS AND COMMENTS ARE CRUCIAL TO THE DEVELOPMENT OF THE CLARK MASTER PLAN.

**PLEASE RETURN COMPLETED FORMS TO THE COMMUNITY RESOURCES OFFICE, LOCATED AT:
